

The last word:

The landlord of the local hostelry has requested that if anyone has issues with the pub, please contact him directly either in person or by telephone. He is more than happy to discuss and resolve any problems.

As well as this newsletter, published 4 times each year, we use the Beacon magazine to keep you up to date with significant matters. Agendas and minutes are on the website too. www.gringleyvillage.org.uk.

Please note the Clerk's address:

Crime in the Village

We are pleased to report that there were no reported crimes in Gringley during June. A new Beat Manager has been appointed, Nathan Thomas, who starts his duties early August. PCSO Stephanie Jones supports him. Either may be contacted through the Worksop Police on 01909 500999 and ask for their number.

Welcome Packs

The Parish Council have prepared welcome packs for new residents, advising who's who in the district and where local services and organisations may be contacted. If you know anyone who may benefit from one of the packs, please contact the Chairman, Hugo Dunkley on 01777 816003

Detention Centre

The latest news on the detention centre is that Bassetlaw District Council has received the draft Section 106 agreement. This is an agreement between the District Council and the developer and covers those matters which by law cannot be enforced as part of the planning consent. Until the agreement is completed and signed, we understand that the planning consent cannot be granted.

Parish Paths Partnership

In conjunction with the Parish Paths Partnership the Parish Council have erected a new notice board on the Fairpiece. The Board will be used to show the plans of the public footpaths in and around the village. What are you waiting for??? Have a look, don

your walking shoes and get out and about and enjoy the countryside.

Cemetery

The Parish Council would like to remind residents that the Cemetery rules and regulations are displayed in the notice Board in the Cemetery. Please note that memorial requests have to be approved by the Council in accordance with those rules. Application forms are available from the Clerk.

Best Kept Village Competition 2009

We are pleased to announce that Gringley on the Hill has been awarded second place in the Best Kept Village Competition 2009, second to Everton (Congratulations to them). This comes with a cheque for £50 and a certificate.

Well done everyone who played a part in keeping his or her bit of the village looking neat and tidy.

Car Parking

There have been a number of complaints to the Parish Council about vehicles parked on the pavements. We understand that this is an offence if the pavement is obstructed. Motorists, please be considerate to pavement users, particularly wheelchair users and parents with pushchairs or prams.

Middlebridge Road

The Parish Council recently became involved in resolving the pong issue in the Middlebridge Rd area of the village, where residents had endured recurring nasty whiffs since early summer. Thank you to Severn Trent Water Authority for (eventually) sorting it out. If the smell again becomes evident, please contact the Clerk who now has a hotline to the man who fixed it.
